

## PRESS RELEASE

### VACCINATION CAMP

In the wake of the severity of the second wave of coronavirus, National Housing Bank (NHB) undertook several measures to ensure the health and safety of its employees by providing COVID 19 hygiene kits, medical and other support to them. The Bank has further taken up the responsibility of vaccinating its employees and their families against COVID-19 and has tied up with a private hospital chain for the same. On June 11, 2021, NHB organized a COVID vaccination camp at its Head Office at India Habitat Centre, New Delhi. Employees and service staff of the Bank along with their families were inoculated during the vaccination camp. Employees of other institutions housed in the India Habitat Centre availed the facility.
