

PRESS RELEASE

VACCINATION CAMP

During the COVID 19 Pandemic, NHB made several endeavours to ensure the health and safety of its employees by promoting COVID appropriate behaviour, distributing hygiene kits and vaccinating its employees. After the first COVID 19 Vaccination Camp in June 2021, the National Housing Bank organized the second round of an on-site COVID vaccination camp at its Head Office at India Habitat Centre (IHC), New Delhi on September 07, 2021, wherein the employees of the Bank along with their family members, support staff, maintenance staff and staff of other member institutions of IHC were inoculated with the second dose of COVID 19 Vaccination and completed their vaccination schedule.
